

Alterations to the Educators Residence

Education and Care Services National Regulations - the meaning of 'renovate': in relation to premises, means

- (a) Construction, demolition, removal or relocation of a building or other fixed structure (or part of a building or other fixed structure); or
- (b) Carrying out structural alterations on a building or other fixed structure;

Requirements for FDC Educators October 2017 ACECQA factsheet - Notifications

As a family day care (FDC) educator you must notify your approved provider of:

- Any renovations or changes to your residence or venue that could create a serious risk to the health, safety and wellbeing of children

The alterations are as follows:

Alterations will commence on: _____ and be completed by: _____

Educator Name: _____ Signature: _____ Date: _____

A Risk Assessment is completed to maintain the children's safety during this time

Parent:

Please sign this form if you agree to your child / children remaining in care under these circumstances and you have sighted the Risk Assessment prepared by your educator. If you have any queries, please contact the Service on (07) 3151 2007.

Child / Children	Parents Name	Signature	Date

Please attach a copy of your Risk Assessment to this form and forward both forms to your Coordinator prior to commencement of alterations.
